

2015 Annual Report

Every year Henderson Community Foundation (HCF) assists generous individuals and organizations with their philanthropy. Some of these individuals and organizations reside in Henderson. Others in Southern Nevada. Regardless of where they call home, they all share one thing in common: a passion for strengthening the community. This passion comes in a variety of forms-- promoting literacy, school-based health care, music outreach, keeping our teens cyber-safe, supporting the local animal shelter, and lending a helping hand to seniors, military veterans and their families. HCF is proud to be their partner. We provide the administrative, financial and legal expertise, leaving them the fun part—giving back!
