WHY US? WHY YOU?

The Henderson Community Foundation's (HCF) leadership can be seen throughout the community. Since 2002, the HCF has been improving our community's quality of life.

Through the generosity of donors and community partners like you, HCF has provided gift cards for families of deployed military, books for elementary students from at-risk schools, transportation assistance for low-income seniors, care and treatment of animals in our local shelter, and scholarships to deserving students. Additionally, since its inception, HCF has provided over \$45,000 through our competitive grant process to local non-profits exhibiting programs servicing the critical needs of our community.

HCF provides you with this important opportunity to plant the seeds of philanthropy by becoming our Friend. If you care about the future of our community, **we need your help!**

Don't delay... There's never a better time than now to make your commitment.
