

### Why US? Why You?

The Henderson Community Foundation’s (HCF) leadership can be seen throughout the community. With nearly 20 not-for-profits related to HCF, your donation supports various organizations and programs which provide services and assistance to individuals and families in need.

HCF projects include, but are not limited to, gift cards for families of deployed military, non-text books for elementary students from at-risk schools, support for the future Henderson Hospice and Adult Day Care, grants to local not-for-profit agencies, transportation assistance for low income seniors, aid to the local animal shelter and scholarships to Nevada State College.

Since 2002, HCF continues to grow and help a diverse group of not-for-profit organizations throughout Henderson and surrounding areas with the goal to improve and better the community.

To continue our efforts, and the efforts of the organizations HCF partners with, **we need your help!**
